

1M Hard Recessed Aluminium Profile for Strips, Frosted diffuser (cover) included

Partcode: ILPFR036 / Page: 1

This 1M Recessed Aluminium Profile (also known as Extrusion) is designed for any Integral IP33, IP65 and IP67 Flexible LED Strip range with 8mm, 10mm and 12mm width. A frosted diffuser (cover) is included. Suitable for applications such as furniture lighting, counter lighting, ceiling decorating light etc. Accessories including endcaps and endcaps with cable entry are available to purchase separately.

To complete the installation the frosted diffuser (cover) requires a suitable sealant to be used, in order to be fitted and sealed to the profile.
